TRANSFORM
ATION OF
LIBRARIES AS
KNOWLEDGE
HUBS

THE TOPIC OF THE NATIONAL SEMINAR

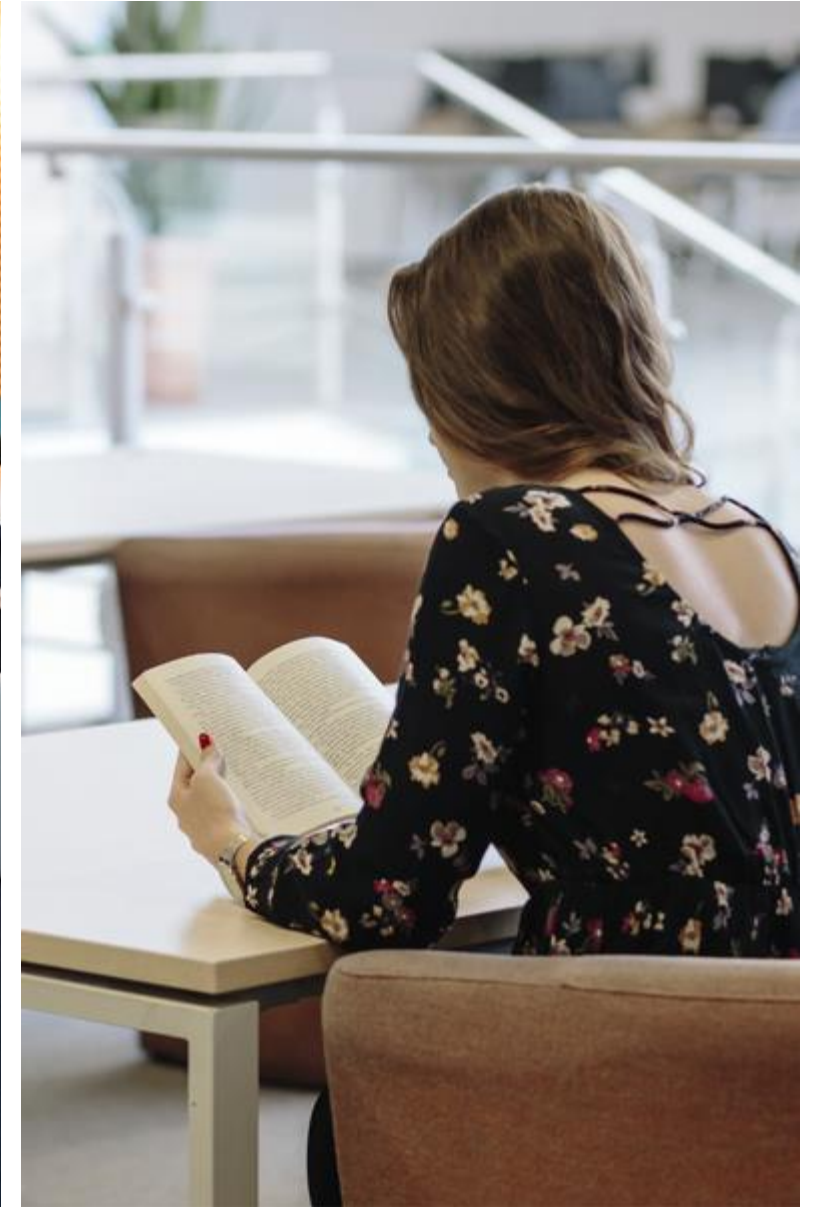

LIBRARIES

- Receive, revise, retrieve
- Collect, process, disseminate
- The public library
- The Kerala model
- Evolution of libraries

KNOWLEDGE

- What is knowledge?
- Two-way communication
- Four types of knowledge exchange
- Public policy and peoples' action

HUBS

The obvious

Technology-enabled

Forms and Functions

TRANSFORMATION

- What is transformation?
- What for and why is transformation important?
- What is likely to be transformed?
- Who are the change agents and steers?
- How does one transform?

TRANSFORMATION OF LIBRARIES AS KNOWLEDGE HUBS

- What is imminent?
- What needs to be done to transform?
- What will happen if transformation happens?
- 21st Century compulsions
- Are we prepared?

TRANSFORMATION OF LIBRARIES AS KNOWLEDGE HUBS

Libraries are evolving

Knowledge is a key ingredient

Hubs make things possible

Transformation is permanent

Lets do it!

COMMONWEALTH EDUCATIONAL MEDIA CENTRE FOR ASIA

Open and Distance Learning to more of Online and Digital Learning

Blended, Flexible and Technology-enabled Learning processes are important for scale-up

Education and Skill Development is not about teaching; it is all about learning

THANK YOU!
